

Time Is On Your Side

with the Acroprint Watchman's Clock

ACROPRINT[®]
TIME RECORDER CO.

The Watchman's Clock provides economical, easy-to-use, reliable proof of security personnel patrols.

Sample key station and C-36 clock

Benefits

- Assures that security personnel make appointed rounds at prescribed times.
- Protects against robberies, fires and industrial accidents which often occur due to insufficient patrolling.
- Maintains strict supervision of watchmen.
- Provides tamper-proof record of patrol for insurance purposes.

Models

- | | |
|------|--------------|
| C-36 | 36-hour disk |
| C-72 | 72-hour disk |

Features

- Key print mechanism records key station location and time, with positive imprint on NCR circular chart.
- Each clock supports up to 30 stations: 15 numeric and 15 alpha.
- High-capacity units come in two models: 36- or 72-hour disks.
- Shock-resistant mounting and case provide high-impact protection.
- Rubber-coated case withstands harsh internal and external environments.
- ABS molded key stations allow indoor or outdoor use.

- Quartz movement and electronic timekeeping assure high accuracy and long life.
- Opening detector records each time the case is opened.
- Double casing lock protects against tampering.
- Clockface display makes time easy to read.

For more information on our complete line of time terminals, time clocks, time stamps and accessories, please contact your authorized Acroprint dealer.

Easy-to-read, easy-to-replace 36-hour or 72-hour chart.
